

A large, stylized letter 'V' is embossed on a red, wavy-textured background. The 'V' is formed by two thick, parallel lines that meet at a point at the bottom. The interior of the 'V' is also defined by these lines, creating a sense of depth and shadow.

In this, our 1961 **Bervalon**, we have endeavored to record for you the work, the fun, and the rewards which we have experienced during our high school days. These will remain in our minds long after graduation and we shall be able to relive them through our yearbook.

To you, the staff of the 1961 yearbook, we express our sincere appreciation for all the time and work you gave in helping us to publish this twenty-fourth edition of our book.

PROMINENT among the persons who have influenced and inspired us is Mr. Harold M. Bush. We shall always be grateful for his innumerable hours of service to the school and to our class.

He always demanded of us achievement of high quality and helped us to accomplish this. And then he added to service those qualities that cannot be measured—integrity and sincerity.

The Class of 1961 proudly—and humbly—dedicates this twenty-fourth volume of the **Bervalon** to an instructor, an adviser, and a friend—Mr. Bush.

Larry Schrock, Dorothy Ann Will, Robert Suder, Carla Miller—Senior Class Officers

## Class Memories

When memory takes us back to our freshman year in high school, we recall that our first class officers were Larry Schrock, Dean Gindlesperger, and Deloris Landis. When we were sophomores, we elected Richard Merrill, Robert Suder, Dorothy Ann Will, and Shirley Wasnick to lead our class. That year Bob Suder and Richard Merrill won the top sophomore scholastic achievement award; Carla Miller and Sandra Landis made the varsity cheering squad; and Suzanne Krause attended All County Band.

Time passed quickly and we were happy and proud to wear our junior class rings. Dalton Paul was our junior class president, with Larry Schrock, Margaret Hankinson, and Phyllis Raupach assisting. Bob Suder played the leading role in our class play, "Mister Peepers". Don Ohler won the foul-shooting trophy. Ruth Hay was elected secretary of the sub-region of the Future Homemakers of America. Ruth was also a candidate for a state F.H.A. office. Dalton Paul was awarded a gold plaque for his outstanding

achievement in the National Dairy Cattle Judging Contest, held at Waterloo, Iowa. Dalton has also won a bronze plaque and fourteen state Future Farmers of America awards. The prom brought our junior year to a close.

Finally we reached our goal—we were seniors! Our senior executives are Larry Schrock—president, Bob Suder—Vice president, Carla Miller—secretary, and Dorothy Ann Will—treasurer. Doyle Paul flew to Berkeley, California, this term, where he won a national certificate for his outstanding achievement in a cooperative quiz. Carla Miller, Ruth Hay, Phyllis Raupach, Dalton Paul, and Bob Suder played leading roles in our senior play, "Tillie, A Mennonite Maid".

As we anticipate our Baccalaureate and Commencement activities, we realize that these will be our last times together as a class. Our high school years are now in the past. What will be in the future?

This is called homemaking?

How many absentees today?

Very few assignments tonight!!!

Hurry, fellows, we'll be late for the game!

Boy! These new handbooks are neat!

Victory! Victory! is our cry!

## OFFICERS OF THE FIRST BBJHS STUDENT COUNCIL

Dalton Paul—vice president, Richard Poorbaugh—president,  
Margery Imgrund—secretary treasurer, Carla Miller—corresponding secretary.

1960 marked the organization of the first Student Council at Berlin Brothersvalley Joint High School. It functions this year, for the first time in our history, as a regular part of our school activities.

The council is made up of representatives elected from each homeroom. A higher than average scholastic standing is necessary for membership on the Student Council.

The purpose of this group which is affiliated with the national organization is to provide an outlet for student leadership and a participation by students in the government of the school. This year the council sponsored the first homecoming celebration here. Its members have also promoted and worked for various school projects.

The Student Council was inaugurated at the direction of high school principal, Mr. John Chobany. Mr. Donald Glass is the faculty adviser.

The National Honor Society was formed to encourage better scholastic achievement and to give recognition to those who attain that goal. Membership in this national organization is based upon character, scholarship, leadership, and service. The Mountaineer Chapter of the National Honor Society had its constitution accepted and received its charter in 1958. Since that time, its aim has been to fulfill the goals of the national organization.

# Music

In keeping with the philosophy that music is important to the cultural growth of an individual, our school provides an excellent program in this field. Participation in one or more of the instrumental and vocal groups gives a student skills, enjoyment, and appreciation with which he can increase his stature throughout his life.

Instrumentalists find keen competition and challenge in the orchestra, the marching band, and the dance band. Persons with outstanding talent in these groups can participate in county and state instrumental festivals.

The mixed chorus and the ensemble provide opportunity for vocal training and experience. These groups, too, are invited to meet with students of other schools in county and state concerts.

## Future Farmers

Dalton Paul—president, Mr. Everett Nicklow—Adviser

The **Future Farmers of America** is the national organization of, by, and for boys studying vocational agriculture.

The primary aim of the FFA is the development of agricultural leadership, cooperation, citizenship, and patriotism. Other purposes include: strengthening the confidence of farm boys and young men in themselves and their work, more intelligent choice of agricultural occupations, creating and nurturing a love of rural surroundings, encouraging cooperative effort, encouraging thrift, improving scholarship, and providing organized recreational activities for rural people.

The national organization of the **Future Homemakers of America** was created to develop pupil initiative in planning and carrying out related activities of homemaking.

FHA members strive toward the goal of learning to live better today so that their lives and those of their families may be better tomorrow.

The purposes of FHA are to teach its members to share in solving problems of home life, to develop social qualities, to promote a growing appreciation of the joys and the satisfactions of homemaking, and to face the future with courage and high hopes.

# Publications

Among the major creative activities in which students gain experience at BBJHS are the two publications—the **Mountaineer** and the **Bervalon**. The **Mountaineer**, our school paper, is published at intervals throughout the year. In each edition the staff tries to summarize and record the events of our school. This paper, distributed to every home represented here, offers an important communication between the school and the home. The **Mountaineer** is in its twenty-fourth year of publication, having grown from a mimeographed sheet to its present form.

The **Bervalon**, our yearbook, also twenty-four years old, is published annually by a staff

selected from the senior class. In this book, the staff endeavors to present a review of the classes, the activities, and the events of the year—and to portray something of the goals and ideals we are trying to reach. The **Bervalon** is a permanent record of our high school memories.

Mrs. Evelyn R. Baltzer has long been associated with publications in our school. For a number of years she was adviser of the **Mountaineer**, and in more recent years she has served as adviser to the **Bervalon**. For her help and guidance in publishing our yearbook, the staff members of the 1961 **Bervalon** express their deepest appreciation.

*Athletics*

Mr. Wilfred Smith—*faculty manager*, Mr. Frank Madey—*assistant football and basketball coach*, Mr. William Webreck—*assistant football and basketball coach*, Mr.

Anthony Cugini—*head football coach*, Mr. John Lichvar—*head basketball and baseball coach*

When asked what he thought was the greatest blessing of man, the philosopher Homer replied, "a sound mind in a sound body". Athletics here at BBJHS attempts to help everyone obtain this blessing through a wide range of sports and activities. Any boy at BBJHS may participate in football, basketball, and baseball—provided that he maintains a good scholastic record. All students have the opportunity to participate in physical education classes.

While these activities are keeping the person physically in shape, they are also supple-

menting the ideals taught in the classroom with two cardinal virtues—sportsmanship and teamwork. The man who has learned the values of sportsmanship and fair play will not only be successful in the business and social world, but will be respected by teammate and rival alike. The person who can fit into a position and work well with others is in constant demand in industry today.

Athletics here in BBJHS produce young men who have attained man's greatest blessing—a sound mind and a sound body—and who are ready to become world leaders.
